## / code

### Food Truck Frenzy

Java | Spring | MVC | HTML | CSS

An application that allows users to find food truck menus, locations, hours and upcoming events. It includes features that allow users to locate which food trucks are closest to them as well as the dates and times of future food truck events.

### Trivia

React JS | CSS

A quiz application based on 'How I Met Your Mother'.

### Music App

JavaScript | Spring | SPA | HTML | CSS | APIs

An anime-themed music application, giving the user the ability to add new artists and albums.

### To Do List

React JS | CSS

Add, edit, and delete items on your list,

### Donut Maker

JavaScript | HTML | CSS | Responsive Web Design

A clicker game with the goal of gaining as many donuts as possible. You may purchase auto-clickers and donut multipliers to help achieve that goal.

## / design
